President's Message

Welcome to the year 2017 and the West Falls-Colden Community Library.

Our Children's Reading program on Thursday mornings is going very well.

It involves age appropriate literature, a pre-school lesson, art-work, and a healthy snack. We have 3-10 children coming on a regular basis. If you and your child(ren) or grandchildren haven't experienced it, come give it a try; you'll be pleasantly surprised. Miss Claire is WONDERFUL!!!

The Library Board has taken over during my time off, and they have come up with some interesting programs for this spring. Please call the library to register, or better yet, stop in for a visit, to register and see what is new.

If anyone has ideas for future speakers or programs please contact the library. We are always open to new ideas, or if you have a program that you would like to present, again we are open to new ideas.

We would like to remind everyone that this is a community building, and as such if open to all. If your group is in need of a room to meet, the downstairs meeting room is available as long as it is not needed for a scheduled library event.

We would also like to remind you that our library is a 401C3 institution. Any donations that you contribute are tax deductible.

Hope to see you soon,

Gloria Potzler, President of the Board

Library Activities

Denise Reichard returned for our autumn “tea” as America’s first female doctor, Elizabeth Blackwell. It was a most enjoyable presentation!

“The Alamo and the WNY connection” was a fascinating talk by historian, Tom Schobert, from the Springville Civil War Museum.

Our annual live wreath decorating class. What creativity! Wreaths supplied by Weber’s Nursery.
