Amend Agenda

Supervisor DePasquale amended the agenda to add Mike Willibey Chairman of the Livingstone Masonic Lodge.

Veteran's Memorial Park Event

Mike Willibey explained that the Livingstone Masonic Lodge and the Masons would like to host a fund raising event in the Veteran's Memorial Park next to the Town Hall. The event is to camp at the Memorial site with 4 to 5 members of the Masonic Lodge to raise awareness and money for the Disabled and Homeless Veterans. The event would take place on Friday, November 6th at 4:00pm and run through to Sunday, November 8th when the Veteran's parade commences at the Veterans Memorial Park. They will have tents for shelter and a fire ring for warmth and would like to have the use of the Town Hall bathrooms. Mike has been working with the Jody Feidt from the Colden Fire Company on the event. The Livingstone Masonic Lodge will reach out to the media, and area VFW's, American Legion Post's and Masonic Lodges for their contributions and support in raising awareness for the Disabled and Homeless Veterans. Supervisor DePasquale will contact the Town's Insurance Company on the policy coverage for the event.

Colden Arts Festival

Supervisor DePasquale stated that a letter of intent was submitted for the Colden Arts Festival and the intentions have not changed. This festival has been a reoccurring event with the Towns support for many years and without significant changes this would be redundant to file a new Special Use Permit application each year.

The Colden Arts Festival Committee is asking for:

- Two portable toilets and handwashing station
- Waste Management was contacted for garbage totes that will be provided along with bags
- Constables for the day and for Security on Saturday and Sunday 11am – 6pm
And Saturday 8pm – 7am Sunday (rate of pay out of the celebrations line)
- Use of the Senior Center, Town Hall, Veterans Park, Kummer Park and the Town Parking Lots
- Volunteers are always needed
- Good Weather

Hazardous Waste Event

Supervisor DePasquale stated that the Towns Hazardous Waste Event along with the Town of Holland will take place on Saturday, September 19th from 8:00am – 12:00pm at the Center Street and Partridge Road Fire Station. The proposed cost to the Town of Colden is \$5,000 if HAZMAN personnel are used or if the Towns can come up with 8 volunteers the cost would be \$2,500. There will be a 100lb. maximum load with an additional .50 per lb. after that. A postcard will be sent out to the residents about the Hazardous Waste Event. Tires will be collected as well and there will be a fee of \$1.00 and tractor tires will be \$10.00. Contact will be made with HAZMAN and the Town of Holland tomorrow to find out what way they are going with the event costs.

Property at 8680 State Road

Supervisor DePasquale stated that at the upcoming Town Board meeting there will be an update on the property at 8680 State Road. A sign is up stating that an auction will be taking place at that site. Discussion will take place under the Code Enforcement Officers report on what the town has done and what the next step is going to be to have the property in compliance the report will take place under the Code Enforcement Officers
